

Border 200 Road Rally Marshal Form – 4th/5th/6th May 2018

WE NEED HELP

To aid the smooth running of the Border 200 Rally, we will need lots of marshals across the 4th/5th/6th May especially those who can commit to multiple controls across the 2 nights.

It is a condition of entry that competitors must provide at least one marshal per night. It can be a different person per night but marshal will need to sign on each relevant night.

We strongly advise that marshals do not man controls single-handedly for their own safety and protection. All marshals must wear a "high-vis" jacket which must be supplied by the marshal or their crew. Some will be available at signing-on, but stock may be limited. This **MUST** be worn at all times when manning their control. It is also recommended you bring along pen, torch and clipboard.

Please help us in allocate you with suitable control/s, please can you let us know a few details
